

Size Chart

Which shoes size shall I order?

Our sizes are European, If you are unsure of your size, draw the contour of your larger foot on a piece of paper. Once you are done draw a line from the tallest toe to the heel, you can then measure the distance from point to point in centimeters.

Once you have that measurement please consult our size-guide to find out your size.

*if you have any doubts don't hesitate to contact us info@cbmadeinitaly.com
